Italian Architects
C&P ARCHITETTI
FAVORITED BY 287 PEOPLE

Since 1996 Europaconcorsi brings out a carefully edited selection of the best architecture projects from around the world. With over 77,000 published projects Europaconcorsi is the largest online archive dedicated to contemporary architecture.

Not only that, Europaconcorsi is the leading platform for competitions and business opportunities for architects in Europe. It is updated five days a week with approximately 400 public procurement notices from the European Union, the European Economic Area and beyond. The quality of our information service is such that the most prestigious Italian Architects Associations pay us to provide it to all their members.

But, not only that, one of the main goals of Europaconcorsi is to encourage the spreading of ideas and projects among architects. More than 31,000 architects and planning offices use our site to spread their projects on the Web. This distinguishes us from our competitors. Europaconcorsi is the first and largest user-generated content architecture website on the internet.
